Dear [Client Name],

We hope you are taking advantage of your 60-day free trial of uRISQ. We remain committed to helping you reduce your risk of cyber-attack and data breach in any way possible. If you have not taken the first step, **we encourage you to create your account at [https://urisq.net/my/XXXX]** and get a free vulnerability scan of your website and firewall. Many of our customers have already uncovered dangerous vulnerabilities in their websites and firewalls. Addressing these issues prior to a data breach event is critical.

Still not sure where to start?
No problem! With so many new tools at your disposal, it can be daunting to know where to begin. For videos, frequently asked questions, and detail on uRISQ visit https://myurisq.com.

Now is the time to take advantage of uRISQ's Vulnerability Scanning, Privacy Assessment and Data Breach Support! How much is data privacy worth to you? After your 60-day trial, uRISQ will continue at a cost of [$XX/month].

Register your account to get started now at: [www.urisq.net/my/XXXX]. Our team is here to answer your questions, and of course you can cancel at any time.

Thank you!
