URISQ QUICK SHEET

CUSTOMER QUESTION:

"Is uRISQ Cyber Insurance?"

HOW uRISQ PROTECTS YOUR BUSINESS

No, uRISQ Is Not Cyber Insurance.

uRISQ is a service designed to help manage and reduce your risk from fines, negative PR, litigation, legal action or business challenges in the case that a data breach occurs. Making sure this tool is in your business risk mitigation plan is like keeping up with regular maintenance checks on your vehicle.

THINK OF IT THIS WAY:

Think Of Your Business As A Car.

uRISQ Is Like Performing Preventative Maintenance To Keep Your Car At Peak Performance – Finding Threats Before They Cause Harm.

Without The Preventative Maintenance Of uRISQ Privacy Assessment, Your Car Could Experience A Breakdown.

uRISQ Breach Support Provides Assistance In Case Of Emergency To Help With Accurately Reporting And Complying With Breach Reporting Laws.
