AWARENESS

THREAT SCANNING

WEBSITE & FIREWALL SCANS

Stop breaches before they happen. Monthly scans of your website and firewall make you aware of your vulnerabilities.

EMPLOYEE TRAINING

TRAINING VIDEO LIBRARY

People are the #1 reason for data breaches. Educate your employees with up-to-date and easy-to-understand educational videos on social engineering, phishing, smishing, etc.

RISK MANAGEMENT

POLICY CENTER

TEMPLATES & ANNUAL REMINDERS

Create organizational policies and plans using templates and best practices and be notified when it is time to review.

VENDOR MANGEMENT

REDUCE 3RD PARTY EXPOSURE

The vendors you trust are one of the largest data exposure risks for any business. Know where your data is and how it is being transferred, stored, and handled.

REGULATORY COMPLIANCE

DATA BREACH SUPPORT

INCIDENT RESPONSE

Be prepared when you suspect or have a data breach. Have a Certified Privacy Professional guide you every step of the way.

ACCESS REQUEST MANAGEMENT (DSAR)

RECEIVE AND RESPOND

Your customers have the right to request what data you have on them. Have the ability to manage their requests from start to end while ensuring compliance with regulatory timelines and requirements.
